

THE KING MANIFESTO

(Cont, New King)

A King who loves his Nation, his People and freedom; one who works for universal peace, universal freedom and universal Brotherhood. A man may call himself a King, just as an ugly man may call himself handsome, yet if he does not live the life of a True King, he is not a King, and an ugly man deceives no one.

He who would be a New King needs to be a fearless seeker and lover of freedom. If his heart is pure and his mind is free from prejudice, he shall not fail to recognize freedom from slavery. The call of the New King to mankind is that men should open their eyes and use their reason, not suppress it. It is seeing and free thinking, not servile credulity, that will enable the True King to penetrate the clouds of prejudice, to shake the letters of blind imitation and attain from the realization of truth, a new revelation.

The New King will not only believe in the teachings of his Nation, but will find in them the guide and inspiration for his life and joyfully impart to others the knowledge that is the well-spring of his own being. Only then will he receive the full measure of power of the Almighty Latin King Nation.

When a man becomes a New King, the will of the Nation becomes his will; for to be at variance with the Nation is one thing that cannot endure. The Almighty Latin King Nation requires whole-hearted and complete devotion.

How can divine King Love be demonstrated to an unbelieving world, its capacity to endure to the utmost blows of calamity and the treachery of seeming friends; to rise above all this, undismayed and unembittered, still to forgive, bless and unite? The light of King Love irradiates his foggiest days, transmutes his suffering into hope and martyrdoms itself into a ecstatic bliss. The New King longs to see believers of freedom shouldering the responsibilities of the cause. Now is the time for union and concord. Now is the day of unity, because it's Nation time!

The New King recognizes that the day of resurrection is here. A time for the appearance of a new manifestation of truth. The rising of the dead means spiritual awakening of those who have been sleeping in the graveyard of ignorance. The day of the oppressor must now be judged by the oppressed.

my mother who is the Universal Nature and follower of
Yahweh, who is the Aimighty King of Kings; it also means

NATIONAL SALUTE *****

Two colors of natural creations existing since the
beginning of time and enduring forever.

Gold represents the fabulous, brilliant Sun at its
highest peak; the splendoring glow of hope in oppressed
People, the brilliance of the mind and the solid unity
in strength, love and sacrifice.

Black represents the solid dominant color of the
universe, the brave and the bold, the darkness of the
immense night. It represents People of one idea, one
body, mind and soul, the Alpha and the Omega.

SACRED COLORS *****

The Crown is the National Emblem of the Aimighty
Latin King Nation. It displays our royalty among men;
is a symbol that is recognized all over the world and al-
though there are many different types, the two that the
Aimighty Latin King Nation identify with the most are the
Imperial and the Coronet.
The Imperial is the one most generally used to
represent our beloved Nation because of its very meaning
and magnificence.
Each of the Coronet's five points has a special
meaning. They represent Love, Honor, Obedience, Sacri-
fice and Righteousness. The Crown enthrones our ideal-
ism, our belief and attitudes towards a better way of
life in the universe...

FEARLESSNESS

To the Almighty Latin King Nation, fearlessness implies absence of all kinds of fears. It is the freedom from such fears as hunger, humiliation, wrath and the criticism of others. It is also the freedom from the fear of resistance, the freedom from the fear of loss of courage and the freedom from the fear of physical death. It is a necessity for a true Latin King because cowards can never be moral. Fearlessness is indispensable for the growth of other noble qualities.

How can one seek liberation, truth or cherish love without fearlessness? Moral Bravery is, for the Nation, the highest heroism. And it consists in the readiness to sacrifice patiently and fearlessly, everything, including life for the good of other members of the Tribe of Righteousness out of love for them....

THE ALMIGHTY EYE

When a King Warrior accepts Kingism as described in the King Manifesto, his life takes a complete turn. For him everything changes. His vision is no longer limited to narrow horizons, instead he is gifted with the power of the Almighty Eye - a Sun that glows to enlighten, through the sense of sight, the New King and the Nation.

The eyes of the Nation are everywhere there is a Nation man, a True King. His perceptions, viewed in the concept of universal human progress, is the reflections of his soul, his ideology, his quest for freedom and his desire for unity among his People. His observations are free and independent; his thoughts are not clouded by any form of prejudice and his actions are based on common sense and knowledge.

Seeing, perceiving and observation by all Kings is the network of the Nation - the eyes of the Almighty Latin King Nation are everywhere.

BROWN FORCE

The Latino can draw additional strength from another force, too if he has the will and the faith.

Anonymous millions of Brown Men and Women have given their life in the fight for liberation. They have fought against colonialism, hunger, ignorance and for the human dignity of our People. They have drawn from one another, through unity, a force of fortitude - Brown Force - the force which provides the splendoring glow of hope in oppressed people. The need they cast into the founding of a Nation - the Almighty Latin King Nation - has withstood the trials of time.

Drawing upon the endurance and fortitude of Brown Force, we continue our quest to unify and insure free political and cultural expression among the Third World People and among the commonwealth of individuals. We are the People's liberating force - Brown Force - the foundation of the Nation.

NATION MEN

Who is a Nation man and who is not? The difference lies in what they do, how they carry themselves and how they talk, but in order for one to really understand the contrast, one must know and understand the principles of the King Manifesto and Modern Kingism.

One of the clearest contrastive examples is when the so-called Nation Man claims to be a Latin King, a member of the Almighty Latin King Nation, and by the same token says, "I am a Little, A Coulter King, A Fee Wee, I'm from such and such a branch or chapter, etc." He might be a Latin King, that is true, but he definitely is not a Nation Man.

This clearly testifies that this so-called Nation Man is really a demagogue, a preacher of false philosophy, an agent of confusion and disunity. His mind is broad only to the scope of where his particular "click" is concerned. Outside of that click mentality, his mind meets with the brick wall of prejudice and individualism.

Nation Men on the other hand are devoted followers and believers of unity, supporters of the harmonious whole. For Nation Men there are no horizons between clicks and branches for they identify only with the Nation, not a particular click, branch or section - natural allies together in one nucleus, one Nation, the Almighty Latin King Nation.

THE KING MANIFESTO

KING AM I

Whether in front or profile I stand
On that finished form let glory bestow
Black its midnight shadow,
Gold its morning glow
In precision clear, a vision ever so bright
That over the rest domineering light
Spreads the extensive vigor of its rays
Any yields to me the power they praise
That majesty, that grace, rarely given
To remove the restraints
With which they confine
To pass before the turning wheel of change
With supreme perfection my aim
Love, truth, and knowledge my claim

Below the thunderous lofty arch of light
The whole in loveliest harmony unites
For a True King the brightest glories soar
The King of Kings applauds him
And the world adores
Let then each be firm allied
And let no one separate or divide
United in strict decorum, time and place
An emulous love and genuine faith
Be Grace, Be Majesty they constant strive
That majesty, that grace - King Am I.

Be it always remembered that the original Manifesto was
written and dedicated to all oppressed people of the
world, to the People and the Nation and to all our beau-
tiful Sisters by the Brown Prince of Darkness. Amor!
